Dear Residents,

The City of Palos Hills begins its spring/summer season with a very busy agenda. We are pleased to announce that the Building Department had a very extra-ordinary year in as much as we took in $450,000 in building permits. The most significant part of the permit fees involved commercial and business development, including the relocation of Carousel Checks on Southwest Highway, Midwest Orthopaedics on Roberts Road, the indoor Car Wash on Harlem Avenue along with multiple commercial rehab permits. Last year also saw 26 permits for new homes and multiple permits for home rehab improvements. We believe this upcoming year will bring about new development including a Thornton’s Gas Station at 111th & Roberts Road and more single family home permits.

The City will be under-going two long awaited Capital projects to include a new Public Works Garage and facility located off Roberts Road and 108th Street with construction to begin within a month. Also located on the same 30 acre site, a Pleasure Lake Nature area to include a $250,000 improvement to the park area. The City was recently awarded a $126,000 grant from the Illinois Department of Natural Resources. Both of these projects have been on the planning table for the last 15 years and we are very excited to get them under construction with a completion date of this Fall. This project when completed will facilitate a large public parking area off 108th and Roberts Road to access into Pleasure Lake.

In addition, the City of Palos Hills also announces that finally after many years, the Cook County Highway Department will finally be rehabbing and resurfacing Roberts Road. It has been very frustrating on our part along with our residents that this road has taken so long to be redone. In the meantime we are asking the Cook County Highway Department to do the necessary temporary repairs in sections of the road this spring. The good news is that along with resurfacing Roberts Road a complete transformation of the intersection of 111th & Roberts Road will be part of this project. It was the City of Palos Hills that secured both State and Federal funds to assist the County in their project of making this now possible. Thank you for your patience.

The City of Palos Hills and its Police Department are proud to announce that we rank as one of the 10th lowest crime areas in the State of Illinois. The men and women of the Police Department are dedicated professionals who will continue to serve and protect our citizens. Finally, I would like to invite our residents to take part in the many upcoming Park and community functions, events and our annual Friendship Festival taking place July 11-14. As always the City is committed and dedicated to serving the residents. We are always here to answer your calls for service. I thank you for this opportunity in allowing me to serve as your Mayor. Enjoy the changing of the seasons and have a safe summer.

Sincerely,

Mayor Jerry Bennett
Palos Hills Receives Grant to Add Recreation Amenities to Pleasure Lake Nature Park

This past winter, the City of Palos Hills received a $126,000 grant from the Illinois Department of Revenue through their Open Space and Land Acquisition (OSLAD) program to add recreation amenities to the south end of Pleasure Lake. This past year the City’s Public Works Department has been busy improving that end of the Lake property. They installed a beautiful waterfall feature that is not only aesthetically pleasing, but also improves aeration of the pond. They have also installed an accessible asphalt path that will connect the park to the future Public Works Facility. They cleared invasive plants and trees from the area, making it easier for residents to access the project area from the nearby neighborhood. Lastly they built a walking bridge over the new waterfall that will help connect the walking trail around the Lake.

Money from the OSLAD grant will cover the costs of additional amenities at Pleasure Lake. These include a small, stone amphitheater for small gatherings; a wood and stone pavilion; individual play pods and fitness stations; more benches and tables and more signage. We will also be installing signs around the lake, providing information about pollinators found in the area. The City anticipates beginning construction towards the beginning of the summer.

News From Your Aldermen

**FIRST WARD NEWS**
We know everyone is looking forward to a mild spring after a very cold and snowy winter! Our Public Works team did a great job keeping our streets clear and taking care of water main breaks quickly.

Those of you that have braved the cold and have walked past Pleasure Lake may have noticed the installation of the bridge over the waterfall was completed. In the coming months residents can expect to see more improvements at Pleasure Lake. The City developed a master plan and over the winter the City applied for an OSLAD grant (Open Space Land Acquisition & Development) to assist with funding this project. If awarded the OSLAD grant would fund 50% of this project. The total amount of the Pleasure Lake project is $252,147 and our request for the grant was $126,000. We are very happy to report that we were successful in obtaining this grant!

Amenities residents can anticipate seeing at Pleasure Lake include a pavilion, play pod equipment, fitness equipment, a small amphitheater for smaller venues and presentations, landscaping, park map, arch gateway sign, and pollinator signs. We are anticipating starting construction on these projects this summer.

All residents should have recently received this year’s schedule for chipper service. This service is provided to single family homes within the City of Palos Hills. Please refer to the schedule that includes guidelines for the service. If you have not received this schedule, please contact us.

A few reminders as summer will be here before we know it:
- Please drive responsibly and watch for children playing. That ball rolling out into the street is often followed by a child running after it. While children are often distracted and not paying attention, drivers should use extra caution navigating residential areas.
- To many of our residents who walk their dogs here in the 1st Ward; please continue to pick up after your pets. This is not only being a good neighbor, but it is also a safety and sanitation issue. Summer will be here, and children will be running and playing in yards.
- Please make sure that all trash is placed within container bins and that lids are properly closed to prevent raccoons and other critters from accessing and making a mess. Garbage cans are to be stored out of public view after pickup.

Reminders:

Spruce up your house. We know that homes require maintenance. Summer is the perfect time to do it. Walk around the outside of your house and look up. What do you see? Sometimes all it takes is some paint or stain.

Keep the grass cut and the bushes trimmed. These are responsibilities that come with home ownership. There are local ordinances regarding home maintenance.

Fire pit season is here. There is a local ordinance regarding fire pits. In general, use common sense. Try not to create an extraordinary amount of smoke and be considerate of your neighbors. Fire pits are a lot of fun. Enjoy yours!

Storm drains are good for you and the city. Keep the storm drain in front of your house free of leaves and debris. It keeps YOUR property dry. During rainstorms, the city does not have the manpower to maintain all of the storm drains. Your assistance is appreciated.

Real estate taxes are always a concern. The city of Palos Hills receives about 5% of your total bill. Look at the line items. You will see where a majority of your tax dollars go.

The Palos Friendship Fest is in July, four nights of free music! Come out and have some family fun. Hope to see you there!

Thank you for your support. Call me with any questions or concerns.

THIRD WARD NEWS
Spring is here! We look forward to warmer days and more opportunities to get outside and have some fun. Some great spring activities may include planting something green, visiting a farmer’s market, flying a kite, going for a walk or hike, or visiting the zoo. It is a great time to be outdoors and enjoy the city and family.

One local place that you may want to visit is the Little Red Schoolhouse. The schoolhouse has activities for people of all ages from afternoons with mother nature, yoga in the woods and even Friday Night Frogs. So, make sure you take some time this spring or summer to visit the Little Red Schoolhouse.

SPRING SAFETY TIPS:

Smoke Alarms: Three out of every five home fire deaths result from fires in homes with no smoke alarms, according to the National Fire Protection Association. Test your smoke alarms every month and replace the battery at least once a year. If the alarm makes a “chirping” sound, replace the battery immediately. Smoke alarms should be in every bedroom and in the common areas on each floor of a home. Mount them at least 10 feet from the stove to reduce false alarms, less than 12 inches from the ceiling and away from windows, doors and ducts. Smoke alarms can be interconnected wirelessly. That means, when one sounds, they all sound. A Consumer Product Safety Commission survey found this is the best way to notify everyone in a home if there is a fire. Be sure to purchase smoke alarms with the label of a reputable testing agency, like Underwriters Laboratories (UL).

Family Emergency Plan:

- The National Safety Council recommends every family have an emergency plan in place in the event of a natural disaster or other catastrophic event. Spring is a great time to review that plan with family members. Have a home and car emergency kit. The Federal Emergency Management Agency says an emergency kit should include one gallon of water per day for each person, at least a three-day supply of food, flashlight and batteries, first aid kit, filter mask, plastic sheeting and duct tape, and medicines. Visit the FEMA website for a complete list.

(Continued on next column)

Third Ward news-cont.

The emergency plan also should include:

- A communications plan to outline how your family members will contact one another and where to meet if it’s safe to go outside.
- A shelter-in-place plan if outside air is contaminated; FEMA recommends sealing windows, doors and air vents with plastic sheeting.
- A getaway plan including various routes and destinations in different directions.

I want to take this opportunity and thank you for allowing me to represent the residents of the 3rd Ward on the Palos Hills City Council.

FOURTH WARD NEWS

Hello All......

Well spring is here and before we know it we will be celebrating Independence Day! We want to send some reminder’s out with this newsletter and hope that everybody is having a safe, happy and healthy year thus far.

1. Be mindful of rapidly changing weather. During storms, get indoors!
2. Talk with your children about bike, internet and stranger safety!
3. Be mindful of your surroundings at all times! If you see something that doesn’t look right, SAY SOMETHING! CALL 911 immediately to report any suspicious persons or activities!

This brings us to our next subject. “Call when you can, text when you can’t.” Palos Hills Police now have the capability to receive and send text to 9-1-1 messages from cellular phones. Text messaging is one of the primary ways people communicate today. According to Forrester Research, an estimated 6 billion SMS messages are sent every day in the United States or more than 2.2 trillion per year. The 9-1-1 community is constantly striving to meet the evolving needs of the public, and right now that means implementing text to 9-1-1 solutions. Text to 9-1-1 is intended primarily for use in three emergency scenarios:

1. For an individual who is deaf, hard of hearing, or has a speech disability.
2. For someone who is in a situation where it is not safe to place a voice call to 9-1-1.
3. A medical emergency that renders the person incapable of speech.

(continued on next page)
News From Your Aldermen - Cont.

**Fourth Ward news-cont.**

How to use Text to 9-1-1
1. Enter the numbers “911” in the “To” or “Recipient” field.
2. The first text to 9-1-1 should be short, include the location of the emergency and ask for police, fire or ambulance.
3. Push the “send” button.
4. Answer questions and follow instructions from the 9-1-1 call taker.
5. Text in simple words - NO abbreviations or slang.
7. Photos and videos cannot be sent at this time.
   Please remember that texting should only be used when you are unable to make a voice call to 9-1-1. Don’t text and drive!

In closing, we would like to advise all of our residents that we also still have our 4th Ward email distribution list which we try to update as much as possible. If you would like to be added to the distribution list please email jmarrotta@paloshillsweb.org and he will add you immediately. The communication that you receive will be sent from fourthwardnews@yahoo.com.

We have listed some of the upcoming events within the City and we hope to see you at all of these events.
1. **Palos Hills Annual Friendship Festival/July 11-14, 2019**
2. **National Night Out/August 6, 2019**
   If you have any questions regarding Palos Hills park events, please call the Palos Hills Community Center at 708-430-4500 between the hours of 8 am and 5 pm, Monday –Friday.

As always, we are only a phone call away if needed. Thank you for allowing and trusting us to serve as your Aldermen!

**FIFTH WARD NEWS**

Happy Spring, 5th Ward!

After a long winter it is nice to finally have some nice weather. Please be careful when driving around town, children will be outside and we have a lot of residents that love to walk outside. We have been having an issue with speeding drivers all over the 5th Ward. Please remember that the speeding limit on residential streets is 20 mph. Please be mindful of your speed when driving on our residential streets.

I am happy to let you know that Thornton’s Gas Station is moving into the corner of 111th & Roberts Road. That corner has been vacant for so long, it will be nice to have something occupying that corner. Also, I am happy to inform you that the old racquetball club, 11050 S. Roberts Road, has been demolished, that too has been a long time coming. I am looking forward to seeing changes to the area!

Our Community Resource & Recreation Department has some GREAT things coming up. Be sure to check out the following:

**Touch a Truck - July 26, Town Square Park**
A police car, bulldozer, school bus and garbage truck are just some of the vehicles scheduled to be at this FREE event.

**Day Camp - All summer long, Community Center**
Options include tot camp, half day camp, five day youth camp, and teen camp. They will also have before and after care.

Also, mark your calendars for this year’s Friendship Fest which is July 11 - 14.

In closing, have a safe and wonderful summer! If you are in need of assistance, please contact me.

**Alderman Dawn M. Nowak**
dnowak@paloshillsweb.org or 708-259-3367
Chief Madigan wishes to commend all of the members of the Palos Hills Police Department for making Palos Hills one of the top safest cities to live in Illinois. This is no accident—it is because of hard working and dedicated police officers working with our residents to keep our city safe.

**SAFETY:** Anytime a citizen needs an Officer to respond to a home please remember to call 911. Clerks working at the Police Department do not dispatch Officers, and must then call the dispatch center. This delays time and they also may not have the information required by the dispatch center so please call 911.

Children will soon be out of school for the summer months, and they will be on foot or on bicycles. Patrols will increase on side streets, so remember to keep your speeds down on the side streets (20 mph) and obey the stop signs.

Use your seat belt and remember, it is against the law to use a cell phone or other handheld electronic device while driving. PLEASE DRIVE CAREFULLY!

**PHONE SCAMS:** Please be wary of those attempting to scam the public out of money especially the elderly. Subjects have been calling and requesting money for family members that have been in an accident or have been arrested and need legal assistance. It is uncertain how they obtain your family information but please do not send money. Contact your family to make certain that they are well and call police to report the incident. Please contact us if you have any questions about people who call or arrive at your home requesting money or access to your residence.

**HOUSE WATCHES:** Always make sure you call for a house watch when your leave for vacations. Please call the Palos Hills Police non-emergency (708-598-2992) Monday-Friday between the hours of 9:00 am—5:00 pm. Be certain to lock your doors and set alarms when available.

**REMEMBER:** Do not leave valuables visible inside your car and always remember to lock your car doors. Don’t forget to close and lock your garage doors as well. Don’t be an easy victim!

**NON-EMERGENCY INFORMATION:** If you are in need of assistance during the hours where City Hall and the Police Department front desk are closed, please contact the dispatch center for non-emergency assistance. **CALL 708-598-2151.**

In the case of an emergency, **ALWAYS DIAL 9-1-1.**

**WEATHER UPDATES:** Be prepared for changes in weather this upcoming season. Sign up for weather alerts to keep you informed of all weather emergencies with Code Red at the website, [www.southwestcentral911.org](http://www.southwestcentral911.org).

2019 Beautification Contest

With the beautiful days of spring upon us, Alderman Kleefisch, the Beautification Committee and the Community Resource Department want to inform residents that we are preparing to conduct our annual beautification contest for residences, businesses, multiple family residences, churches and schools. Over the past 14 years, we have had many positive comments about this friendly competition, which encourages everyone to put their gardening and decorating talents to good use.

In addition to nominating yourself, you can choose to nominate your neighbor or local business also. You can email your nomination to recreation@paloshillsweb.org or either mail or drop off your nomination to the Community Resource Department at 8455 W. 103rd Street, Palos Hills. If you are nominating someone other than yourself, please provide your name and phone number as well as that of the person or business you are nominating.

All judging will be conducted by local volunteers. Due to time constraints, the judges will focus solely on front and side yards. Our judges will be rating properties in these categories: general appearance of buildings, fencing and edging, and overall landscaping including lawns, shrubs, evergreens, trees and color accents.

All winners will receive a certificate of recognition at a City Council meeting and a lawn sign. Each ward will also have a grand prize winner (multiple in each ward depending on scoring) whose name will be part of a raffle. The prize for this raffle will be donated by a local business.

Start sprucing up your property, and planting your spring annuals as you add to the overall beauty of our attractive city and enhance the quality of life for everyone in Palos Hills. Good Luck to All! The contest entry form is on the next page.

In addition, you can print out your VA Welcome Kit here https://www.va.gov/welcome-kit/. The kit is full of all kinds of information. Do not delay; download your Welcome Kit today.

AAFES to Open Online Shopping for Veterans
The following article can be found at https://dod.defense.gov/News/Article/Article/1350597/aafes-to-open-online-shopping-to-veterans and was put out on October 23, 2017.

With less than a month until the much-anticipated official launch of the veterans online shopping benefit, more than 225,000 honorably discharged veterans have already been verified to shop at online military exchange websites when the sites open to veterans November 11. The Army and Air Force Exchange Service online shopping benefit is the first military exchange benefits expansion in nearly 30 years. Beginning on Veterans Day, America’s 18.5 millions veterans will be able to shop online at the military exchange websites: ShopMyExchange.com, shopcgx.com, mymcx.com, and mynavyexchange.com.

Shopping the military exchanges online provides veterans an opportunity to reconnect with their military community, allowing these soldiers, airmen, sailors, Marines and Coast Guard “members for life” to save money with tax-free shopping and military exclusive pricing while also supporting critical military quality-of-life programs.

“After four years of coordination with the Departments of Defense, Army, and Air Force as well as several other federal agencies, the finish line is in sight,” said Tom Shull, AAFES director and chief executive officer. “We are excited to welcome these veterans back home to their military family and ensure all who raised their right hands and served our nation with honor receive this tangible benefit as a measure of thanks for their service and sacrifice.”

Exchange Sales Benefits Programs
Exchange sales from this newly authorized customer base are expected to be approximately $200 million annually, with $10 million in dividends annually for quality-of-life programs such as Army Child Developmental Centers, youth programs and fitness centers, Air Force Outdoor Recreation, affordable school lunches for overseas students, below cost combat uniform sales and more. All honorably discharged veterans can go to ShopMyExchange.com today to verify their eligibility to shop their military exchanges.

The chipper truck service is provided to single family homes within the City of Palos Hills. The service is not available to commercial businesses, townhouses, condominiums, apartments, new construction, not approved for occupancy properties and vacant lots. The chipper service will not pick up branch materials cut or placed at the edge of the roadway by any contractor or professional/commercial tree trimming/removal companies.

Service cycles normally begin on Monday unless there is a Monday holiday. To ensure a timely branch pick up please place your branches, in your front parkway, at the edge of the roadway by Monday morning. Please avoid placing branches out before your pick up week or after the truck has serviced your street/address. The branch pile may cause storm water drainage problems or block the view of motorist and pedestrians creating a safety concern.

Branches should be cut between 4 feet long and 6 feet long with a minimum diameter of \( \frac{1}{2} \) to 1 inch and a maximum diameter of 10 inches. Please no vines or vine like materials. Branches larger than 10 inches in diameter must be cut into logs 18” to 24” long. A fee is charged for log and root ball pick up.

For safety reasons the chipper service only takes branches cut to the proper length. Any materials other than properly cut branches will be left for the resident to dispose.

Branches should be neatly stacked and placed three feet from the edge of the roadway with the cut ends of the branches facing the roadway. Improperly stacked branch piles (cross stacked or bird nest stacked piles) will be passed by and will not be picked up until they are properly restacked.

Root balls and logs will be picked up upon request. Call City Hall at 598-3400 to requests this service. Logs must be cut between 18” and 24” in length. A fee of $5.00 per log and $10.00 per root ball will be added to your water bill for each root ball and log picked up.

INTRODUCTION TO DOG THERAPY TRAINING

Have you thought about giving back to your community? Have you been told on more than one occasion that you have a well behaved dog? Have you heard of volunteering your time with your dog at senior centers, nursing homes, Alzheimer’s assisted living centers, residential facilities, schools, youth programs, college campuses, libraries, hospitals, rehabilitation facilities, etc.? Would you like to learn how?

This class is for the pet dog owner who has a well behaved dog that enjoys being in the company of people of all ages. The dog must be tolerant of other dogs and display non-aggression towards other pets and animals; is friendly to women, men and children; and enjoys meeting new people, being petted, brushed and walked short distances by other people. Your dog must have an excellent temperament and disposition to be eligible for this class.

Dogs must be evaluated before enrolling in the class. After an initial evaluation of your dog’s obedience skills, temperament and motivation to work, you will be notified of either a) acceptance into the program or b) given suggested additional eligibility training. There will be a second evaluation session for program eligibility. Call the Community Center at 708-430-4500 to find out the dates and times for evaluations. There is a $5 fee for the evaluation, if you are approved for the class this fee will be applied towards the class. This class is designed to educate you and prepare you for the Therapy Dog Certification Testing Process from one of three national certifying organizations. At the end of this course, you and your dog partner will have a final evaluation and if passed, be given the American Kennel Club Canine Good Citizen Test.

Your first steps in becoming a working therapy dog team starts here. Sign up today so you can start giving back to your community tomorrow.

REGISTRATION INFORMATION

Refund Procedures
1. All requests for refunds must be made on an official refund application available at the Community Center. The date the form is stamped by the office is the date for refund consideration. A copy of the date stamped application will be your proof of request.
2. Once any class begins, no refunds will be given. All requested refunds will be assessed a service charge of $10.00. Refunds will only be issued if the refund dollar amount is greater than $10.00. Dollar amounts less than $10.00 will be credited to the family household account which can be used for future registration purposes.
3. The Community Resource & Recreation Department reserves the right to cancel or consolidate any program(s) if registration is deemed inadequate. Classes will be canceled if the minimum enrollment is not met 3 business days before the start date of the program. If any program has been canceled by the department, participants will receive a refund or credit to be used for another program.
4. There will be no telephone refunds.
5. Medical credit situations will be handled individually on a case by case basis and must be accompanied with a doctor’s note. After the first week of class, no medical credits will be given.
6. All field trips have a non-refundable fee unless canceled by the Palos Hills Community Resource & Recreation Dept.
7. Refunds will be processed the day they are submitted in writing. Processing takes three to four weeks. All refunds will be given by a check no matter how you originally paid for a program.
8. Cancellations for Day Camp and Playschool must be received in writing on the Resource & Recreation Refund form, two (2) weeks prior to the beginning of the session. No refunds/credits will be given after that date.
9. Credits must be used within 6 months of issue date.
10. There will be no prorating of programs due to late starts, early withdrawals or failure to attend classes.

Behavior Policy
The Palos Hills Community Resource & Recreation Department has an established behavior policy relative to inappropriate behavior. Inappropriate behavior is defined as that which disrupts a recreation program and which requires a program leader to call for a stop of the behavior due to its effect on other participants or on the leader’s ability to conduct the program. Such behavior may call for an immediate and/or permanent dismissal of the participant. Additional rules may be developed for individual programs and athletic events as deemed necessary by staff. No credits or refunds will be given for behavior dismissal.

Waiting Lists
If a program is full, a waiting list will be started. When this is possible, individuals on the waiting list will be called in the order they are placed on the waiting list. However due to schedule restrictions, it is not always possible to accommodate all individuals on waiting lists and in such cases those individuals will not be called.

Walk Up Registration
In person registration for residents will begin as soon as you receive this brochure. All walk up registrants will be informed immediately as to class availability.

Credit Card Information
Program registrants are able to pay for program fees with a Visa, Master Card or Discover Card. If paying by credit card, you must provide photo identification.

NSF Checks
Any individual or group which submits a non-sufficient funds check for payment of a registration fee will be charged $15.00.

Sign Up Today!
Nothing kills a good program or trip quicker than everyone waiting until the last minute to register. So, please register at least 10 business days in advance to keep the program or trip alive!

We Love Parents But...
Please do not remain in the classroom or gym after dropping off your child. Continual interruptions tend to affect the children’s participation levels. You are more than welcome to sit and relax in the lobby.
