MAYOR'S MESSAGE

Dear Residents,

The City of Palos Hills has completed a very busy Summer-Fall season and are preparing for the upcoming Winter season with our Public Works Department. As a recap, the City Public Works Department has completed multiple infrastructure projects including sewer, water, sidewalks and drainage replacement or repairs. Our MFT project was delayed this year due to a material strike. However, about ¾ of the scheduled MFT project was completed and the remainder street resurfacing and sidewalk repairs will be completed in early Spring.

The 111th Street and Roberts Road intersection improvements including a new right hand turn off Roberts going West was delayed because of right away acquisitions. The latest up-date is that the State/County are preparing to go out to bid on that project.

The City of Palos Hills has received a \$635,000 Grant from the County for the purpose of constructing a walking/bike path along the Cal-Sag from Southwest Highway to 86th Avenue. Construction for this project is to start late Summer of 2023. The City is also pleased to have received a \$3.1 million grant from the Federal Government to cover our share of the \$9 million major storm water drainage project improvement that will effect over 700 homes primarily in the 4th Ward. The Intergovernmental Agreement involves the MWRD and Cook County Highway Department. We are hoping that this project can go out to bid late Summer / early Fall of 2023.

The Building Department reports another year of multiple building permits for new commercial and residential property. They again should see this building activity continue into 2023.

I'd like to thank our Community Resource and Recreation Department for the additional Special Events that took place this year and look forward to new events coming in 2023.

Finally, on behalf of myself and the Palos Hills City Council, we extend our warm best wishes to our residents for the upcoming Holiday Season. Wishing you a Merry Christmas and Happy and Healthy New Year. We thank you for your support and participation and cooperation with all City activities.

Sincerely,

Mayor Jerry Bennett

Meet Your Neighbors

The Rodriguez family moved from Chicago into Palos Hills two years ago in search of a nice suburban neighborhood. Ramiro is a truck driver and his wife Edith works as a branch manager for a major bank in Chicago. They have 2 daughters, Evelyn, a recent graduate from Malcolm X College, and Krystal, who is currently attending classes at Moraine Valley Community College. Ramiro and Edith have put a lot of time and effort into their home with major improvements inside and out. Ramiro said he did most of the outside improvements on the home while Edith did most of the inside improvements. Neighbors have noticed and they recently received the grand prize for the 1st ward in the Palos Hills Home Beautification awards! Ramiro and Edith have a big family and they enjoy hosting family events and showcasing their beautiful home. As if working full time jobs and working around their home didn't keep them busy enough they also run a small family taco truck business catering to family parties and special events. When asked what they liked best about living in Palos Hills both Ramiro and Edith said they like living in a quiet and safe neighborhood but they especially liked the low taxes! Welcome Rodriguez family! We are glad you've made Palos Hills your permanent home!

As always, feel free to reach out with any questions.
Happy Holidays!

3rd Ward News

Third Ward Residents,

Winter is just around the corner - make sure you and your family are prepared. Below are a few safety tips to help keep you warm and safe.

When the weather turns cold, it can bring a chill into our homes. Portable space heaters have become a popular way to supplement central heating or heat one room. If you plan to use portable electric space heaters, make sure to follow these tips and recommendations. Keep the heater at least 3 feet away from anything that can burn, including people. Choose a heater with a thermostat and overheat protection. Place the heater on a solid, flat surface. Make sure your heater has an auto shut-off to turn the heater off if it tips over. Keep space heaters out of the way of foot traffic. Never block an exit. Keep children away from the space heater. Plug the heater directly into the wall outlet. Never use an extension cord. Space heaters should be turned off and unplugged when you leave the room or go to bed.

Smoke alarms should be installed on every level of the home, outside each sleeping area and inside each bedroom. Test all smoke alarms at least once a month by pushing the test button. When the smoke alarm sounds, get outside and stay outside. Go to your outside meeting place. Call the fire department from a cell or neighbor's phone. Stay outside until the fire department tells you it is safe to go back inside.

Carbon monoxide alarms should be installed in a central location outside each sleeping area and on every level of the home and in other locations where required by applicable laws, codes or standards. For the best protection, interconnect all CO alarms throughout the home. When one sounds, they all sound. Test CO alarms at least once a month; replace them according to the manufacturer's instructions. If the audible trouble signal sounds, check for low batteries. If the battery is low, replace it. If it still sounds, call the fire department. If the CO alarm sounds, immediately move to a fresh air location outdoors or by an open window or door. Make sure everyone inside the home is accounted for. Call for help from a fresh air location and stay there until emergency personnel. If you need to warm a vehicle, remove it from the garage immediately after starting it. Do not run a vehicle or other fueled engine or motor indoors, even if garage doors are open. Make sure the exhaust pipe of a running vehicle is not covered with snow. *Continued on next column...*

The third ward is home to many horses and horse riders. Please remember, as you approach a horse, brake in good time. Always assume that the rider and horse haven't seen you. Don't use your horn to warn them. If you are driving a hybrid or electric vehicle, your vehicle will probably be much quieter. This can mean that the horse (which has a blind spot behind it), doesn't hear your vehicle approaching until the last moment. While horses with riders have the same rights on the road as motorists, younger riders might not fully understand what this means and, as they might never have driven a car before, could misjudge distances and speeds (especially how long it can take a heavy vehicle to stop). If there's another vehicle coming towards you, it's best to wait so that you can give the horse and rider the maximum amount of room. Even if the rider is on the verge, it's best to give the horse as much room as possible. Indicate to the right and pull out. Stay as far right as is practical. Be careful of gravel road shoulders as these change the noise of your vehicle instantly and can spook the horse. Accelerate away gently. Hard acceleration, particularly if you have a motorbike or a car with a sports exhaust and blow-off valve, can frighten a horse.

4th Ward News

We hope everyone had a great summer and you are looking forward to the Holidays! We want to thank Mayor Bennett, and everyone involved, for another fantastic Friendship Fest. Also, the Field of Honor event at Moraine Valley Community College in September was a phenomenal success and will be repeated next September to honor our dedicated service men and women.

New Law for Smoke Detectors

In 2021, there were 96 residential fires in Illinois. Sadly, nearly 70% of these deaths are occurring in homes without working smoke detectors. Starting on January 1, 2023, every home in Illinois must have smoke detectors with a 10-year sealed battery. The Illinois Smoke Detector Act has required all residences to have smoke detectors since 1988. Homes built after 1988 have required hardwired smoke detectors, though dwellings built before 1988 were allowed to use battery alarms. The new requirement will update the law to take advantage of new technology, while being more cost effective. A long term 10-year battery smoke detector saves homeowners to replace it. For more information go to <https://www.ifs.org>.

Palos Hills Car Thefts

Recently in Palos Hills there have been several car thefts and burglaries from residents' driveways. The burglaries involve unlocked cars where items were stolen from the inside of the car. Some of the car thefts involved unlocked cars with the key/fob left in the car. In this day and age, it is surprising that people leave their cars unlocked, much less leave the keys in the car. We encourage all residents to lock your cars at night and remove the keys. Also be careful where you keep any garage door openers since access to a car with such an opener will give strangers access to your garage. Finally, please be careful of the items that you leave visible in your car since this may encourage someone to break your window to get items that aren't even worth the cost to replace your window.

Beware of Scams

We would also like to remind everyone to beware of the various scams that may be used to steal your money. Remember that no government agency, such as the IRS or Com Ed will call you to collect a debt and they will never give you a deadline to pay over the phone. These agencies still use the mail for notifications. An idea of some of the scams used are "You are eligible for a big cash prize";

If you receive such a solicitation, it is best not to give any money or your personal information, **but** to contact the entity (such as your credit card company) directly and independent of the solicitation.

Beautification Winners

5th Ward News

Merry Christmas and Happy New Year to all of our 5th Ward Residents!

We hope that everyone enjoys the holidays and we are wishing you and your families a Happy and Healthy New Year! There are so many things that have happened in our ward since the last newsletter! Hong Min has purchased the old Palos Racquetball property and they plan on making a beautiful garden area for everyone to enjoy. The plans also include a koi pond and a pavilion. Mr. Wong, who is the owner of the property has presented some really nice ideas to the city to make sure that the area that has been vacant for so long, a beautiful place for everyone to enjoy! We do have the proposed pictures of the area, so if any resident would like to see it, please send us an email and we can send you the pictures of what was submitted to the city.

Also, the townhome development on 111th Street is still ongoing. The strip mall on 111th Street, has seen some improvements since the new owner has taken over. There are many improvements that are ongoing, and we look forward to having new businesses move into the mall. The strip mall has been vacant for many years, and we are certainly happy that someone is investing back into the mall to make it a viable mall again. Cook County will hopefully start improving the corner of 111th and Roberts Road in the spring. This will help beautify the corner and also add an additional turning lane onto 111th from Roberts Road. The corner is very busy in the mornings and after school with the Stagg students entering and leaving the school.

We would also like to congratulate our 5th Ward residents that won beautification awards:

The Smertene Family, which was the Grand Prize Winner!

2. The Cardamone Family
3. The Stemmer Family
4. The Doyle Family
5. The Vassar Family
6. The O'Neil Family

The businesses in our ward that won were:

Moraine Valley Community College
Sacred Heart Church
Lagoon In The Hills Association
Stagg High School

Another hidden gem that the city has is the Palos Hills Municipal Golf Course located at 7301 W. 105th Street. The golf course is a 9-hole golf course and offers rentals inside. Please contact the golf course at (708) 598-0202. They can help coordinate food for any event. In the spring, there will be a bean bag competition. Please contact the Palos Hills Recreation Department for more information regarding the tournament at (708) 430-4500.

We would also like residents to send us their email addresses so that we can get information out to you quickly and send information on anything that is happening in our ward. Please send us your email address via email or text message. Our contact information is listed below. You could also follow us on Facebook, search Palos Hills 5th Ward .

Lastly, just a few reminders, please drive slowly down our streets. It is important to be mindful of the speed limits, there are too many cars that are travelling more than the speed limit. We do not want any tragedies to happen if they can be avoided. Also, when walking your dogs please bring a bag to pick up after your pet, we all should be good neighbors. Also, please be mindful when it snows that driveways and sidewalks should be shoveled. Many people (including children) walk our sidewalks in the winter. Finally, be safe and please contact us with any concerns. We care about all of our residents and want to help with any concerns that may arise. We wish you a very Merry Christmas and Happy New Year!

PALOS HILLS ECONOMIC DEVELOPMENT CORNER

Tis the season Palos Hills! Our businesses are prepared! We have so many little nooks and crannies to get some great holiday gifts right here in Palos Hills, so let's explore a few ideas around town.

Palos Golf, located at 11226 Southwest Highway, has golf equipment such as golf balls, bags, gloves and much more for that avid golfer in your family! They also offer golf lessons on site. Make a gift basket and don't forget to add a gift certificate from **Palos Hills Golf Course**, 7301 W. 105th Street.

Next up is **Lori & Co. Jewelers** located at 11228 Southwest Highway. Lori's has an array of jewelry from fine bracelets and earrings to necklaces and diamond rings. In addition to the jewelry Lori has brought in a nice variety of women's one of a kind clothing for special occasions. From beautiful jackets to scarves, this is one stop shopping for the fashion conscious person!

Looking for sparkling gold jewelry? **Dana's Gold & Jewelry**, located at 10344 S. Harlem Avenue, specializes in dazzling gold jewelry. As the saying goes "all that glitters is gold" can be found at Dana's.

The next stop for a unique gift would be **A to Z Pawn & Resale**, located at 11234 Southwest Highway. They have everything from antiques to collectables, vintage items, electronics, toys, power tools and so much more! Surely you can find an amazing gift here for that special someone.

How about a gift certificate to learn martial arts? **A Center for Martial Arts**, located at 10717 S. Roberts Road, offers classes for children, teens and adults. What a great idea to start the New Year off with some fun & exercise!

How about a gift that keeps you "glowing" all year round? **LA Tan**, located at 8066 W. 111th Street, offers gift certificates for the many different levels of tanning, along with package deals for skin care and lotions and sprays.

Beauty care is something we all need and use, check out the many different salon and barber shops we have here in Palos Hills including the new state of the art **Bella Salon Suites**, located at 10544 S. Harlem. They provide mini suites that let beauty professionals from all types of industries from eyebrow shaping to hair extensions care for you and provide excellent service.

There are many different businesses in Palos Hills that can be your one stop shopping. For more gift ideas send me an email and I will be more than happy to send the business holiday list to you.

Congratulations to all of our Palos Hills businesses who were recognized with the City of Palos Hills Beautification Award in 2022!

Other News

The 111th Street Plaza has been sold and has a new owner! It has been vacant for many years, and we are excited to see the building and parking lot maintenance happening! Plans for many new businesses are underway! Stay tuned!

Hong Min Chinese Restaurant has plans to renovate and reopen. They have also purchased the property behind their building (the old fitness center property) and has plans to improve the property with a private Japanese style garden, trees, a koi pond, pagoda, scenic bridge and more. In addition, they will be adding supplemental parking for Hong Min.

A Bike and Walking path extension, along the Cal-Sag Channel from Southwest Highway northwesterly to 111th Street will be installed to make a connection to the existing trail system near Moraine Valley Community College. The proposed improvements include traffic signals, installation of new trail signage, high visibility crosswalks, trail markings, landscape restoration and ADA improvements. The time frame for completion is approximately January 31, 2024.

Thank you for shopping and eating locally. Please continue to support our small businesses in Palos Hills, they appreciate you! Thank you also for the likes and comments and following "**The City of Palos Hills Economic Development**" **Facebook page**. Wishing everyone a wonderful Holiday season blessed with good health, family and friends!

PALOS HILLS POLICE DEPARTMENT NEWSLETTER

9-1-1 Usage:

Please contact our dispatch center for all police services. They can be contacted by dialing 911. Using this service is the fastest and most effective way for officers to assist our residents 24 hours a day.

Scams/Identity Theft:

Please be aware that scams are happening every day. Please do not give out personal information over the phone or to anyone you do not know. Also be careful about searching for telephone numbers on the internet. Some companies may seem to have a customer service telephone number to call, but it is a scam that allows criminals to gain your trust and personal information. Once personal information is exchanged criminals can access accounts and personal information which can lead to identity theft. Also, government agencies will never contact you requesting money. If you are concerned about a potential scam please dial 911 and our officers will be dispatched to help anytime day or night.

Stolen Vehicles:

Please lock your vehicles when you are not using them. Multiple vehicles have been stolen by being left unlocked and having the key fob left inside. All valuables should be removed from the vehicle when not in use.

Driving Safely:

The weather will soon be turning colder. Please be careful of road conditions and give yourself extra time to get to your destination safely. Please be cautious and pay attention to your surroundings so accidents can be avoided. We hope everyone has a wonderful holiday season.

Suspicious Activity:

If you see anything suspicious, to include people, vehicles, or activities, please dial 911. This allows dispatch to document the incident immediately and allows officers to quickly respond and investigate. Reporting suspicious activities is a great way for community members to help keep Palos Hills one of the safest cities in Illinois.

FENCING – NEW!

FENCING

Come join us this winter for our kids introductory fencing classes!

Taught by Zoya Zackavec, a former US National Team Champion, member of the Division I Varsity Fencing Team at the University of Pennsylvania, former NCAA Championships qualifier, and finalist of multiple North American Cup, Junior Olympic and US National Championships throughout her 15-year fencing career.

Zoya Zackavec is also a clinical therapist and motivational speaker, and works with young athletes throughout the Chicago area on developing mental strength and mindfulness skills.

In our introductory fencing classes, kids will learn the basics of fencing in a fun and structured curriculum. There will be focus on developing agility, flexibility, coordination, and balance, as well as learning how to work well with others, follow rules, be part of a team and develop a positive mindset. And of course there will be plenty of sword-fighting!

A brief, free introductory class will be offered on Wednesday, January 4, at 5:30pm for potential students (ages 4-9 years old) and their parents to learn more about the program and meet the instructor.

All equipment will be provided. Kids are asked to wear sneakers and comfortable clothing and bring a bottle of water. *This is a cooperative with the Worth Park District and the Palos Heights and Palos Park Recreation Departments.*

REGISTRATION INFORMATION

Refund Procedures

1. All requests for refunds must be made on an official refund application available at the Community Center. The date the form is stamped by the office is the date for refund consideration. A copy of the date stamped application will be your proof of request.
2. Once any class begins, no refunds will be given. All requested refunds will be assessed a service charge of \$10.00. Refunds will only be issued if the refund dollar amount is greater than \$10.00. Dollar amounts less than \$10.00 will be credited to the family household account which can be used for future registration purposes.
3. The Community Resource & Recreation Department reserves the right to cancel or consolidate any program(s) if registration is deemed inadequate. Classes will be canceled if the minimum enrollment is not met 3 business days before the start date of the program. If any program has been canceled by the department, participants will receive a refund or credit to be used for another program.
4. There will be no telephone refunds.
5. Medical credit situations will be handled individually on a case by case basis and must be accompanied with a doctor's note. After the first week of class, no medical credits will be given.
6. All field trips have a non-refundable fee unless canceled by the Palos Hills Community Resource & Recreation Dept.
7. Refunds will be processed the day they are submitted in writing. Processing takes three to four weeks. All refunds will be given by a check no matter how you originally paid for a program.
8. Cancellations for day camp or playschool must be received in writing on the Resource & Recreation Refund form two (2) weeks prior to the beginning of the session. No refunds/credits will be given after that date.
9. Credits must be used within 6 months of issued date.
10. There will be no prorating of programs due to late starts, early withdrawals or failure to attend classes.

Behavior Policy

The Palos Hills Community Resource & Recreation Department has an established behavior policy relative to inappropriate behavior. Inappropriate behavior is defined as that which disrupts a recreation program and which requires a program leader to call for a stop of the behavior due to its effect on other participants or on the leader's ability to conduct the program. Such behavior may call for an immediate and/or permanent dismissal of the participant. Additional rules may be developed for individual programs and athletic events as deemed necessary by staff. No credits or refunds will be given for behavior dismissal.

Waiting Lists

If a program is full, a waiting list will be started. When this is possible, individuals on the waiting list will be called in the order they are placed on the waiting list. However due to schedule restrictions, it is not always possible to accommodate all individuals on waiting lists and in such cases those individuals will not be called.

Credit Card Information

Program registrants are able to pay for program fees with a Visa, Master Card or Discover Card. If paying by credit card, you must provide photo identification.

NSF Checks

Any individual or group which submits a non-sufficient funds check for payment of a registration fee will be charged \$15.00.

We Love Parents But...

Please do not remain in the classroom or gym after dropping off your child. Continual interruptions tend to affect the children's participation levels. You are more than welcome to sit and relax in the lobby.

Providing a Healing Experience

Palos-Gaidas

FUNERAL HOME

The Gaidas family has been serving families for over two generations in the Chicago land area. With humble beginnings in Chicago's Back of the Yards and Brighton Park communities, we have been taking care of families by providing a "healing experience."

Over the years, Palos-Gaidas Funeral Home has continually provided dignified and compassionate service to the many families who call upon us. Our commitment to our family and community is reflected in our involvement with various organizations. We support many community endeavors, including church and civic groups, schools, and charitable organizations.

Let us show you how our commitment to excellent care
can help your family when you need it most.
We look forward to hearing from you.
